

This fall, BA will be bringing back our coaches weekend. Formerly called 'Super Weekend', it has been rebranded as the **Basketball Alberta Coaching Conference** or BACC. Basketball Alberta understands the need for an annual gathering for the basketball coaching community. The game is evolving and the changes need to be communicated effectively. The **Basketball Alberta Coaching Conference** will be held at the GO Centre in Edmonton on the weekend of September 23, 24 & 25, 2011. The goal is to be inclusive of a wider range of instructional needs for various experience levels. Coaching streams include: Community Coaching, Jr. High development, FIBA 3on3, grass roots instruction, roundtable discussions, on-court sessions, and much more!

BACC will feature all of the Alberta CIS coaches as instructors headed by Golden Bears and Canadian Junior National Team Head Coach, Greg Francis. An event headliner may be introduced at a later date.
