Leduc firefighters to brave the cold for muscular dystrophy – 2nd annual Fire on the Roof campaign to run Feb. 21 – 24, 2012

Four Leduc firefighters will be facing cold temperatures next month to help raise awareness and funds for Muscular Dystrophy Canada in their second-annual Fire on the Roof campaign.

This year's volunteer campers will be:

- Cpt. Harry Krabbes
- Firefighter Mike Skinner
- Firefighter Robert St. Ives
- Firefighter Sean Mason

"These four men are volunteering their time to support thousands of Canadians who are affected by neuromuscular disorders every year," says Karen Faryna, Fire on the Roof for MD committee chair. "Last year's event created enormous community spirit among residents and city staff. We hope to continue this success into our second campaign."

The 2011 Fire on the Roof for MD raised more than \$36,000, exceeding the \$25,000 goal. This year's goal is to raise \$30,000. This event is a regional campaign with the City of Edmonton, City of Spruce Grove, City of St. Albert and Strathcona County.
